**SUPPLEMENT TO PROXY STATEMENT**  
**FOR THE 2018 ANNUAL MEETING OF STOCKHOLDERS**  
**TO BE HELD ON JUNE 14, 2018**

This supplement is dated May 15, 2018 and is first being made available to stockholders of the Company on or about May 15, 2018.

These supplemental disclosures to the definitive revised proxy statement on Schedule 14A filed by Aevi Genomic Medicine, Inc. (the “**Company**”) with the Securities and Exchange Commission (the “**SEC**”) on May 1, 2018 (the “**Proxy Statement**”) are being made to revise certain information contained in the Proxy Statement regarding equity awards granted to Michael F. Cola, our Chief Executive Officer, Brian D. Piper, our Chief Financial Officer and Gary A. Neil, M.D., our Chief Scientific Officer.

It has come to our attention that certain option grants in August 2017 to Mr. Cola, Mr. Piper and Dr. Neil exceeded the applicable annual limit set forth in the Aevi Genomic Medicine, Inc. Stock Incentive Plan, as amended (the “**Plan**”). We and Mr. Cola, Mr. Piper and Dr. Neil have agreed to cancel portions of such awards to reduce the number of options granted to meet the Plan limitation.

**Michael F. Cola**

On August 11, 2017, the Compensation Committee of our Board of Directors (the “**Compensation Committee**”) approved the grant of an option to Mr. Cola, to acquire 500,000 shares of our common stock. Options to purchase 450,000 shares under this grant are null and void and Mr. Cola has acknowledged the reduction to the number of options shares granted to meet the plan limitation.

**Brian D. Piper**

On August 11, 2017, the Compensation Committee approved the grant of an option to Mr. Piper, to acquire 380,000 shares of our common stock. Options to purchase 270,000 shares under this grant are null and void and Mr. Piper has acknowledged the reduction to the number of options shares granted to meet the plan limitation.

**Garry A. Neil, M.D.**

On August 11, 2017, the Compensation Committee approved the grant of an option to Dr. Neil, to acquire 400,000 shares of our common stock. Options to purchase 300,000 shares under this grant are null and void and Dr. Neil has acknowledged the reduction to the number of options shares granted to meet the plan limitation.

The 1,020,000 stock options referred to above that were null and void are herein referred to as the “**Voided Options.**”

**May 2018 Option Awards**

When informed of the overage, the Compensation Committee reviewed the original size and terms of the stock option awards made to Mr. Cola, Mr. Piper and Dr. Neil on August 11, 2017 and their total compensation packages. After consideration, the Compensation Committee determined that the awards (both when viewed alone, and in the context of their respective total compensation packages) were consistent with our current compensation philosophy. Having reaffirmed that the August 11, 2017 stock option awards made to each of Mr. Cola, Mr. Piper and Dr. Neil were appropriate and reasonable, notwithstanding the Plan limitations then in effect, the Compensation Committee determined that it should issue additional option awards to Mr. Cola, Mr. Piper and Dr. Neil with respect to a number of shares equal to the number of shares covered by the Voided Options. In evaluating this additional option award, the Compensation Committee took into account the significant retention incentive represented by the option award, its alignment to the long-term interests of our stockholders and competitive market practices, the elimination of the “performance-based compensation” exception under Section 162(m) of the Internal Revenue Code pursuant to the 2017 Tax Cuts and Jobs Act, and the reasonableness of the grant size relative to our peer group companies.

Accordingly, effective May 14, 2018, the Compensation Committee issued a new stock option award to (i) Mr. Cola with respect to 450,000 shares, (ii) Mr. Piper with respect to 270,000 shares and (iii) Dr. Neil with respect to 300,000 shares (together, the “**May Awards**”). The May Awards have an exercise price equal to \$1.51, the fair market value of our common stock on the date of grant. One third of the May Awards vest on the first anniversary of the grant date with the remaining option shares vesting in 24 equal monthly installments beginning one month following the first anniversary of the grant date, subject to the executive’s continuous service through each vesting date. By virtue of the elimination of the “performance-based compensation” exception under Section 162(m) of the Internal Revenue Code pursuant to the 2017 Tax Cuts and Jobs Act, the May Awards are not intended to qualify as “performance-based compensation” for purposes of the Plan.

To reflect the foregoing, the following compensation disclosures in the Proxy Statement are revised as follows (revised text is bold and underlined):

#### **PROPOSAL 2: APPROVAL OF AN AMENDMENT TO OUR STOCK INCENTIVE PLAN**

***The first paragraph in this section is revised as follows:***

Our Stock Incentive Plan was initially adopted in March 2006, amended and restated as of March 5, 2012, and, with stockholder approval, subsequently amended, most recently in 2016. Following the most recent amendment, up to 9,178,571 shares of our common stock are currently authorized to be issued pursuant to options and other equity awards granted under the Stock Incentive Plan, **6,921,633** shares of which have been issued or have been allocated to be issued as of April 20, 2018 and **2,256,938** shares remain available for future issuance as of April 20, 2018. Additionally, in April 2018, the Compensation Committee of our Board, or the Committee, approved grants of stock options to our directors and members of our senior management that are conditioned on stockholder approval of the proposed amendment to the Stock Incentive Plan, as further described below.

***The first two paragraphs in the section titled "New Plan Benefits" are revised as follows:***

On April 17, 2018, the Committee awarded 1,510,000 options to purchase shares of our common stock at an exercise price of \$1.55 per share of common stock to members of our senior management and non-employee directors. **These April 2018** option awards will be forfeited if stockholders do not approve the amendment to the Stock Incentive Plan contemplated in this Proposal 2 and recipients of these stock options will not be entitled to any compensation in lieu thereof. However, the Committee may then decide in its discretion to take other actions or enter into other compensation arrangements to retain or motivate those employees. **The Committee concluded that these options are appropriate and necessary to retain and motivate officers and directors. On May 14, 2018, the Compensation Committee issued options to purchase an aggregate of 1,020,000 shares of our common stock at an exercise price of \$1.51 per share to Mr. Cola, Mr. Piper and Dr. Neil. These May 2018 option awards are not subject to forfeiture if stockholders do not approve the amendment to the Stock Incentive Plan contemplated in this Proposal 2. All of the foregoing** option grants are subject to vesting.

The following table summarizes the **April 2018** option awards approved by the Committee **that are** subject to forfeiture if the amendment to the Stock Incentive Plan contemplated in this Proposal 2 is not approved by stockholders:

*The table immediately following the foregoing two amended paragraphs remains unchanged from the version included in the Proxy Statement.*
